MEMORANDUM FOR: Deputy Director for Operations, OIT

25X1 FROM:

Chief, Foreign Networks Division, OC

25X1 SUBJECT: Secure Facsimile Testing

REFERENCE: A. OC-6613-87, dtd 25 Mar 87, Subj: Non-Text
Communications Services

B. OC-0948-86, dtd 9 Oct 86, Same Subject

25X1 1. The Office of Communications, Foreign Networks Division
25X1 (OC-FND) expects to receive Ref B facsimile devices from the
vendor circa mid-May 1987. Assuming no difficulties are
encountered, we plan to begin deployment of equipments to
specific overseas locations during late June 1987.

25X1 3. Data to be transmitted will include unclassified photos,
drawings, blueprints, handwritten receipts, etc. This will offer
the opportunity to evaluate the quality and any limitations of
the Ricoh machines as well as the operating procedures contained
in the project plan.

25X1

~~CONFIDENTIAL~~

25X1 SUBJECT: Secure Facsimile Testing

25X1 4. Request the Office of Information Technology's assistance necessary to support the above tests which we would like to begin circa 18 May 1987.

25X1 5. The focal point of contact for this project is
25X1 of the Network Operations Branch, OC-FND
